# CARDIOPRIME TOUCH MULTIFUNCTION SCALE

## Health and prevention in the digital age

The **CardioPrime Touch** is the most advanced equipment in the **DAVI & CIA** range of multifunction scales. It includes new measurements to improve prevention in health care and improves the customer experience thanks to the 10.1" touchscreen with:

- Animations
- Measurements with real-time graphics
- Great visual impact results

## MEASUREMENTS

 <b>WEIGHT</b>	 <b>HEIGHT</b>	 <b>B.M.I</b>	 <b>BODY FAT</b>	 <b>BLOOD PRESSURE</b>
 <b>CARDIAC RISK</b>	 <b>CALORIC EXPENDITURE</b>	 <b>BODY COMPOSITION</b>		

MULTIFUNCTION SCALE
